

FROM THE DESK OF

DANIEL K NORRIS

Grace World Family,

I am excited to share with you that we have an amazing couple joining our pastoral team to serve our church and the children of Grace Kids.

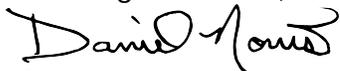

As you know, our children are very important to us and a priority for ministry. When the position came open in April, I said that our kids deserved the very best and that we owed it to them to find the best. We searched far and wide and did not rush the process. As a result, I believe that God has honored our diligence and brought to us *His* choice.

You're going to fall in love with Jacob and Jeverna King as well as their son Josiah and soon to be born, Ezekiel. More importantly, your *kids* are going to love them! Jacob is a graduate of Southeastern University with a focus in children's ministry. He has 14 years of proven experience and is also an effective coach for KIDMIN - a ministry that serves and trains children's ministers around the nation. Jeverna comes with a wealth of experience in every area church leadership. She loves people and loves leading them into their fullest potential. They are excited to get here, and we can't wait for them to arrive!

Grace Kids is about to go to a new level as we offer our kids and the students around the Nature Coast a presence-filled ministry that introduces them to *life in all its fullness!*

Look them up on social media and introduce yourself. Also, if you have a heart for serving world changers, Pastors Jacob and Jeverna will eagerly welcome you to serve alongside them!

Believing for Revival,

Daniel K Norris
