

FROM THE DESK OF

DANIEL K NORRIS

April 4, 2022

It is with a saddened heart that I am communicating the transition of Pastor Robert Brosher from our pastoral team at Grace.

Bob's leadership and knowledge have been invaluable to our church for the past three decades. Within weeks after his arrival from Chicago in 1990, Bob began teaching our College and Career class and coordinated a ministry to singles for five years. Since 1994, Bob has served in various capacities. Most notably, as a worship leader, congregational care pastor, and in the current role of senior associate pastor. Both he and Nancy have led with grace, honor and integrity. They are worthy of the highest honor and celebration we can offer.

On a personal note, I am extremely grateful to Bob for his willingness to stay onboard during Jenna's and my transition into the role of senior pastor. Bob's knowledge of our history and his leadership helped bring a tremendous amount of stability and security over these past four years. I am incredibly thankful for the privilege of co-laboring together in the kingdom. He has made us all better!

Life moves in seasons. There are times when seasons bring us together and then times when those seasons come to a close. Over the past month, through many conversations and much prayer, it is evident there is a change in season and that God's grace for the current assignment has lifted as He is preparing Bob and Nancy for what comes next.

As Grace World Outreach Church has been a home and family to the Brosher's for twenty-eight years, we will continue to be so. Our doors and hearts will always open to them.

We will be hosting an event in their honor on Sunday, May 15, directly following the service in the Family Life Center. We invite you to come with cards and gifts as we bless them in this transition.

Together In The Harvest,

Pastor Daniel K Norris
Lead Pastor, Grace World Outreach Church
